

# Around Our Town

Newdale Newsletter

Volume 3, Issue 3

August 2017

**BIG THANK YOU** to water users for conserving water at our flat rate this summer. It has proved to be successful and we are proud of the way our city looks with pretty green grass and clean yards. Please be responsible water users; use only what you need and conserve where you can. Due to continuing increase in operation and maintenance costs, the city water and sewer charges will be increased by 3 percent, which amounts to approximately \$2.18 more per month beginning October 1.

## ECLIPSE

Because our water system works over a cell signal, and due to possible disruptions in service, **we ask that you not water lawns from Saturday evening, August 19<sup>th</sup> to Monday evening August 21<sup>st</sup>.** This would allow conservation of water in case of an emergency.

Also we would appreciate anyone who still uses a landline telephone, and who would be willing to allow people to use your phone for emergencies in the event that we lose our cell phone service during that time, please register with Robert Strange who is compiling a list of those landline numbers. You may contact him at **208-569-6515** or email at [k7res@juno.com](mailto:k7res@juno.com)

Please see the information on the back of this newsletter.

Taking place during August, the **TREES** overhanging the roadways and right-of-way's will be pruned to provide 18-20 feet of clearance over the road surface. This will provide better vision at intersections plus prevent damage when tall vehicles such as plows and school buses use the road. Thank you for your understanding and cooperation as we complete this project.

## Back to School

Heads UP!  
School starts August 23!

**TRAFFIC SAFETY IS STILL AN ISSUE IN THE CITY. PLEASE OBEY ALL TRAFFIC CONTROL SIGNS. DISCUSS THIS WITH YOUR HOUSEHOLD MEMBERS. BE AWARE OF THE UPCOMING HARVEST SEASON AND THE EXTRA TRAFFIC ON OUR ROADS.**
