

Around Our Town

Newdale Newsletter

Volume 6, Issue 3

November 2020

Welcome to Winter!

We want to remind you that snow will be falling and covering our roads that must be plowed. Please make sure that you don't have anything of value in the way of the snow plow; that means forty (40) feet from the center of the road that runs past your property.

*Violators may be ticketed and towed.
Storage of the towed property is \$50 per day.*

A Special invitation to the Newdale Community

to attend the

TETON-NEWDALE CEMETERY VETERANS MEMORIAL

to be held on Veterans Day, Wednesday, November 11, 2020, at 1 p.m.

at the cemetery. Those veterans buried at the cemetery will be honored and future veterans will be added to the stones as they pass. If you have loved ones in the cemetery that have served our country you will want to attend this occasion in their honor. We hope Newdale will be well represented.

Our fifth Annual Holiday Lighting will be held at the City park on Monday, November 30, at 6:00 pm.

INVITE YOUR FRIENDS AND NEIGHBORS!

(If you still interested in adopting a tree to decorate at the park let us know.)

* We appreciate everyone's consideration when we have an emergency in the community. To better serve you we would be happy to include your cell phone number on the list to notify you by text when an emergency arises. This will allow us to inform you in a more-timely manner of the situation.

* To subscribe go to cityofnewdale.org and click on subscribe on the right side or call Susan or Raymonda and we will document it for you.

* Please go out on your street and see if you can read your address number. If you can't, neither can EMS, Police, Fire Dept, or anyone else that you may need in a hurry. Having your house CLEARLY numbered can save precious minutes. Thank you!

FYI

The City of Newdale has been awarded a park improvement grant in the amount of \$225,000. Thank you for helping us with the survey that assisted with our application. We should be moving forward as weather permits.

Also Newdale will be the home of a new fire station located on main street. Work will begin soon on that project. It is funded by the South Fremont Fire District.
